A Comment from Bishop Rene Henry Gracida

"Randall,

I have visited your website and have signed the petition. I congratulate you on starting this initiative and I pray that it is successful. I urge you to expand this initiative to also persuade Ambassador Mary Ann Glendon to refuse to accept Notre Dame's Laetare Award. Blessings!"

+Rene Henry Gracida, Bishop Emeritus of Corpus Christi

Dear Notre Dame Alum:

April 18, 2009

I beg you with all my heart and in the Name of Our Blessed Mother, please read this entire letter.

My name is Randall Terry. You may remember seeing me on TV in 2003 and 2005 in our fight to **save Terri Schiavo from death**; you may remember me from founding and leading Operation Rescue.

I've been a leader in many pro-life battles in the last 25 years. (Perhaps we've been on the front lines together!) This I can tell you: the battle over President Obama speaking at Notre Dame is one of the most critical battles for the pro-life cause that we have had in many years. **And you are an important part in helping avert this critical disaster.** Let me share with you what's happening on the ground in South Bend, and a frontline plan to stop this outrage.

Dr. Alan Keyes and I (Randall Terry) at Notre Dame on April 17 for a press conference and protest concerning President Obama speaking at the commencement. Our message is simple: Cancel President Obama; replace Fr. Jenkins; rescue Notre Dame.

Hello Fellow Notre Dame Alumnus...

Please read every word of this critical letter.

We are in a war for the heart and soul of our beloved Notre Dame. And sadly – we've been losing in recent years. The tragic facts are clear.

We have seen "The Notre Dame Queer Film Festival," then the vulgar "Vagina Monologues," open homosexual activism and propaganda, and now the crowning evil: *an invitation to Obama to use Notre Dame as a platform and to be honored at Commencement.*

President Obama's support of baby-killing is unrivaled in U.S. history. His policies show open contempt for what Notre Dame stands for. His invitation here is unthinkable.

Randall Terry's efforts at Notre Dame are an answer to prayer. Please take a few minutes to mail the enclosed cards to Notre Dame Officials. And please, support this effort with a generous, sacrificial donation today. If we lose Notre Dame to those who would hijack it for their own purposes, we may never get her back. If you love our Alma Mater as I do, let's stand together, and take action today!

Why the Outrage? A Brief Obama/Abortion History...

1) President Obama is RIGHT NOW changing the conscience regulations for Christian health workers and Catholic hospitals. He plans to force Catholic and Protestant hospitals, doctors, and nurses – even in private practice - to refer for abortion, dispense "Plan B," and dispense and refer for chemical abortifacients and birth control; in other words, to become agents of death.

2) President Obama has released U.S. funds – YOUR MONEY – to pay for child-killing in Africa, and **forced abortion** in China. Twenty million children a year are murdered by forced abortion in China

under the “one child policy.” We are now helping subsidize these damnable crimes because Obama is giving our money to UNFPA; the United Nations Population Fund.

3) President Obama has pledged to sign FOCA, the so-called “Freedom of Choice Act,” which could undo the gains we have made in the pro-life movement over the last 30 years.

4) And now, we are involved in the ghoulish trade in human lives; we create life to destroy it – create human embryos to kill them and harvest their stem cells – at Obama’s Executive Order.

And what has Notre Dame done? They have invited this slayer of the innocent to speak! And they offer him an honorary PhD in law, affirming what he has done with LAWS to kill babies!

Crimes Against God and Man – How Should We Respond?

How should we respond to these outrages? Perhaps like John the Baptist – clearly, and without equivocation, condemning these atrocities. Or perhaps like Christ Himself – who said people who harm little children would be better off with a millstone tied to their neck, and drowned in the sea.

Friend, I fear for all of us. We have lived with the slaughter of the innocents for so long that we’ve grown calloused to the bloodshed. We no longer feel the outrage we should feel; we no longer have clarity of thought and vision. Hence, some of us have fallen prey to the false logic of Fr. Jenkins & Co that tries to justify their treachery against Life, Justice, and Truth.

Using Rhetoric and Images Equal to the Betrayal of Babies and Catholicism

At Notre Dame, defining the battle in realistic terms. We have had about 6 different protests, with extensive media coverage. The children are wearing garbage bags, with words that match; the banner on the far right says: “Would you invite Pilate after he condemned Christ?” Other people around the nation have had similar events and press conferences, and created a righteous stir. Please lead one in your area. **Insurrecta Nex!**

I know that some cautious souls fear “strident” rhetoric, or “controversial” images. I ask those friends to remember the Gospels: remember Jesus turning over tables; chasing people with a whip; calling Pharisees the children of hell, a brood of vipers, white washed tombs, and sons of the devil.

In considering an appropriate response to killing babies and hurting mothers, remember Jeremiah, Ezekiel, Isaiah, Nathan, and other prophets – who rebuked kings and priests – who fearlessly condemned child-sacrifice in their day. They used rhetoric and images equal to the crimes they condemned. Shouldn’t we follow their example? Are we above them? Or do we and our leaders have an unholy attachment to our “reputation” and “dignity” that shackles and muzzles us?

In the fight to end slavery, Frederick Douglass said, “It is not light that is needed, but fire; it is not the gentle shower, but thunder. We need the storm, the whirlwind, and the earthquake. The feeling of the nation must be quickened; the conscience of the nation must be roused; the propriety of the nation must be startled; the hypocrisy of the nation must be exposed; and its crimes against God and man must be proclaimed and denounced... There is not a nation on the earth guilty of practices, more shocking and bloody, than are the people of the United States, at this very hour.” This applies to our struggle to end child-killing, and our fight to keep Obama from speaking at Notre Dame! In Search of ND Grads to Stand for Life, Truth, and Justice

We are writing you because you are part of the Notre Dame family. We are also writing in the hope that you can see how this treachery will cause grave scandal in the Catholic Church and great damage to our pro-life cause for years to come.

But I am not naïve...there are many faculty and alumni who have bought into the confusion of the death movement. They place unity and peace above justice – and therefore do not like our actions as we cry out for the babies and moms. Still others support the President speaking at Notre Dame!

So, that means that I am calling on a small percentage of “fighters” to **act right now**. If your heart is stirred, if you have that **righteous indignation** that we should all be feeling, I ask you to be a part of this effort. There are actions that you can take that can help us be victorious.

Our Primary Mission: Cancel President Obama, Replace ND Pres. Jenkins, Rescue Notre Dame.

Our Secondary Mission: To so connect President Obama to child-killing in Americans minds, so that if he runs again in 2012, he cannot seduce Catholics and Evangelicals again; to create such a firestorm that other Catholic colleges shy away from honoring those who promote murder.

Some say: “You will never get Notre Dame to cancel Obama.” They may be right. However, *Obama could cancel them*. If we create a political firestorm and controversy that is big enough, his advisors might tell him that it is not worth it for him politically.

This is certain: *if we do not fight, we cannot win*. But if we **fight** to get Obama cancelled and Jenkins replaced, our secondary mission will take care of itself. So, are you with us?

Please Do The Following:

As an alum, you play a critical role in helping guide the university. They listen to you! You are a Fighting Irish! So rise and fight! Defend the honor of God, Our Lady, and the babies!

- 1) **Pray for President Obama**, Fr. Jenkins, the Fellows, Trustees, and Vatican officials.
- 2) **Send the enclosed postcards** to the Vatican and Notre Dame leaders. You may have a post card for the Pope, or any number of Congregations in the Vatican. (Postcard and letter postage to the Vatican is 94 cents. Postcards within the U.S. are 27 cents.) Please send these right away.
- 3) **Lead a protest/press conference in your area**. We have detailed, easy to follow instructions at www.StopObamaNotreDame.com. Look for “Marching Orders.” If you’ve never done something like this, take courage. You can do it, and your voice will be heard!
- 4) **Go to www.StopObamaNotreDame.com**. There are phone numbers and addresses for you to contact, and you can see links to the press we are getting. **Also, give us your email for updates.**
- 5) **Come to Notre Dame for the weekend of May 15-17**. Some seniors have shown interest in a “Heroes’ Commencement” for students who want to boycott the commencement because of Obama. You could attend! Also, if Obama ends up speaking, we want to have *thousands* of people lining the streets around the campus peacefully protesting this outrage.
- 6) **Call our office in South Bend** to come and volunteer your time *now*. We currently have seven full time volunteers and need more. We’ll provide housing. Our number is 574-387-5287.
- 7) **Consider donating** to our immediate expenses here in South Bend to continue to push hard around the clock to get Obama canceled and Fr. Jenkins replaced.

Funds Needed to Push Hard on Many Fronts! *Insurrecta Nex*!

We are on the ground here in South Bend speaking loudly for the babies who can't speak for themselves -- the babies who will die if Obama speaks at Notre Dame, because of the confusion and scandal to numerous students and Catholics. This is not fun and games; real lives are at stake.

I moved my family here to South Bend to fight this battle non-stop! We opened an office as a command center for multiple projects. We have 7 full time and 25 part time volunteers working hard -- and **NO ONE will be paid for this work, including myself. But we still need resources!**

We need money to buy food, gas, pay rent, utilities, pay for advertising, press releases, posters, postage, banners, printing, and a hundred things related to this event. We're pushing forward hard, and need the finances to keep funding this critical effort until the end.

Would you consider an immediate donation to this frontline effort to get Obama canceled and to help turn Notre Dame back to courageous Catholic values? This is an incredible opportunity for you to participate in a crucial effort to stop the moral decline at Notre Dame, and our country.

A Special Gift for You!

I just completed a 14 episode TV show called ***Insurrecta Nex*** (Latin for insurrection against the slaughter of the innocent): *The Philosophy, Theology, and History of Social Revolution*.

If you can send a gift of \$100 or more, we will send you all fourteen episodes, along with the study notes, and a teacher/facilitator book to use for training in your home, church, etc.

We will easily spend over \$50,000 in this battle to help save the Catholic soul of Notre Dame. This I know: this is a battle line we MUST defend. Frankly, the pro-life movement has been overrun, and is in great danger of becoming as politically irrelevant as it is in England or France if we do not fight.

So please join us right now!! We need your help. Please take the enclosed post cards and mail them today. Please pull out your check book, or go on-line to StopObamaNotreDame.com, and give your most generous donation possible to stand for life and help turn Notre Dame back around.

Long Life to You.

P.S. We're launching our next phase of letters to Trustees, demonstrations at the campus and surrounding areas, demonstrations in cities around the nation, and more. Please send a donation today to fuel all these efforts to get Obama canceled and Fr. Jenkins dismissed. God bless you!

Randall Terry and Alumni, I'll stand with you in the "battle" for Notre Dame!
